

## PROCUREMENT NOTICE

### HVT/015 – Preparation of a Business Case for HDM-4

The UK Department for International Development (DFID) has appointed IMC Worldwide Ltd (IMC) to establish a Programme Management Unit (PMU) with responsibility for the delivery of the High Volume Transport Applied Research Programme.

IMC invites suitably qualified Suppliers to submit a proposal to provide services in accordance with the Terms of Reference for assignment HVT/015 under the High Volume Transport Programme.

The primary objective of this assignment is to produce a bankable Business Plan for the future of the HDM-4 software. In carrying out this objective the study should explore all possible options for putting the ownership, management and maintenance of this product on a more sustainable and commercial basis.

This procurement is open to all eligible Suppliers in accordance with the provisions of the Request for Proposal and will be conducted on a competitive basis.

The closing date for submission of proposals is **31<sup>st</sup> October 2018 at 12.00pm GMT**. The expected date for the commencement of the Services is approximately 12 November 2018.

Selection of a Supplier by IMC will be on the basis of a combination of the technical and financial scores achieved; the technical points score will receive an 80% weighting and the financial points score a 20% weighting. A minimum technical score of 75 points will be required to ensure further consideration of the proposal.

To request the tender documentation, please send an email to [HVTprocurement@imcworldwide.com](mailto:HVTprocurement@imcworldwide.com) stating the procurement reference number and clearly stating the name of the company requesting the documents.
